Wedding & Event Florals

Floral Offerings

About Our Offerings

We offer a la carte event florals in a fresh-from-the-farm style, for customers in need of bouquets, centerpieces, and/ or a few focal arrangements. You choose the size and quantities needed, describe your color palette and leave the rest to us!

Our options aren't well-suited for customers who want very specific flowers that may not be in season or grown locally, require an in-person consultation or set up, or have more advanced design needs.

Our streamlined process is great if you love lush, garden style arrangements featuring locally grown blooms, and you trust us to choose the best of what's growing the week of your wedding in your desired color palette.

We do have a minimum order of \$150 (does not apply to the DIY bucket option).

DIY Buckets

If creating floral arrangements yourself is more your style, we also offer DIY floral buckets. Our DIY buckets contain 80 stems of focal, filler and greenery for you and your team to create your own amazing floral designs.

Pickup & Delivery

All floral orders are available for pick up at our Farm on Staton Drive in Greenville's Welcome community. Delivery is available for an additional fee.

For Saturday weddings, we offer pick up on Farm on Thursday morning.

Make sure your flowers will be transported in an air conditioned vehicle and stored in a cool room or basement, out of direct sunlight, away from food and pets.

DIY Buckets

Our DIY Bucket Option

Do you like the idea of designing your own floral arrangements for your special day? Bulk flowers by the bucket can be a budget-friendly option for customers who have the time and talent to create their own designs. With our buckets you can enjoy a seasonal selection of beautiful farm-grown blooms for any DIY project, party, or event!

Each bucket includes a farmers choice of 8 bunches (80 stems) of assorted focal flowers, filler flowers, and greenery. From just one bucket of flowers you can create 5 to 7 small centerpieces, or one large bridal bouquet, or 2 to 3 bridesmaids bouquets, depending on how full and lush you make your arrangements. You should plan to supplement your DIY Bucket with foraged cuttings from your yard, neighborhood or favorite garden or field to assure you have plenty of material to work with.

If you have a special palette, we will do our best to accommodate, but cannot guarantee narrow requests, such as green & white only, due to our small scale.

In addition to your bucket, we can offer seasonal premium flowers by the stem or by the bunch. Just ask when you finalize your order, and we can provide availability and pricing.
